About Mon courtier énergie group:

Founded in 2017 in Bordeaux, Mon courtier énergie group has become, in just a few years, a major player in energy brokerage and the leading French network in the B2B market. The Group's mission is to support businesses in the overall management of their energy budgets in order to reduce or optimise their gas and/or electricity bills. Mon courtier énergie group's range of services includes energy brokerage and purchasing advice, contract management and optimisation, and energy transition consulting.

Mon courtier énergie group draws on the expertise of more than 200 employees across its head office and regional licensed agencies.
